**Amendment to Circular No.10/2006**

In Circular No. 10 / 2006 dt.28.02.2006 {File No. C1. 3343 / 06 /CT dt. 28.02.06} at paragraph 9 it has been directed to produce attested copy of Lease Deed valid as on the date of application for Registration, attested by Bank Manager of the applicant.

Some dealers have reported that they are finding it difficult to get the Lease Deed attested by Bank Managers.

Hence paragraph 9 of the above Circular is amended. Applicants may file copy of the Lease Deed attested by a Notary Public where they find it difficult to get it attested by their Bank Manager.

All Deputy Commissioners are directed to communicate this to the officers under their control.
